

Novahunt Trophy Moose Bull hunt in Sweden

Novahunt invites you to the vast forests of Lapland and the Province of Norrbotten, the land of the midnight sun, for a trophy moose bull hunt. Hunting season annually from early September to the middle of November (best time is mid October onwards).

We hunt with the Swedish Moose dogs who track, and keep the moose at bay – allowing us to carefully sneak in. A fantastic experience that will test your !

By preparing well before your arrival, we can promise you a truly majestic Moose Bull!

The Moose of the Swedish forest attain Capital status after about 5 years.
Our aim is to hunt **Capital bulls exclusively!**
